

WHY CHOOSE A MEMBERSHIP?

Proactive care,
made simple

WHY A MEMBERSHIP?

Healthier pets and happier pet parents.

Your pet's health is a journey—not just a series of appointments. Our membership is designed to make preventive care simple by bringing together recommended services, exclusive member benefits, and ongoing support from our veterinary team into one convenient program. It's an easier way to stay on track with the care your pet needs to thrive.

IS THIS PET INSURANCE?

No — it's designed for everyday care.

Unlike insurance, this membership focuses on the routine and preventive care needs all year long. Our plan helps make wellness care simpler, more predictable, and easier to access — without waiting for reimbursement.

WHAT IS THE petFSA®?

It's an exclusive member benefit.

Every membership includes a petFSA® — an in-hospital credit allowance that can be used toward eligible care and services at AAAPC. Even better? **Unused petFSA® funds roll over each plan year for future care needs.**

HOW DOES A MEMBERSHIP HELP ME?

A healthier year starts with partnership.

Our membership helps you stay connected with our veterinary team through every important milestone. With recommended preventive care already planned, personalized guidance throughout the year, and convenient monthly payments, it's easier to stay on schedule and focus on what matters most — helping your pet live a happy, healthy life. Prefer to pay annually? Annual memberships receive an additional 5% savings.
